

NCDA Meeting notes (taken by Katie McGivney- RB absent).  
Meeting called to order at 6:38pm

4/17/19

## **Review of meeting agenda from March**

### **New Business**

Discussion of an event in early October; bring in a BIG name clinician at Tomora Training Center in Greeley. It will not be cheap and NCDA will look to the Dressage Federation for a grant to help offset the cost.

### **Treasurers Report**

Andrea was not in attendance – report not presented

### **Dolly Hannon Clinic/Show recap**

NCDA broke even on the clinic and earned a bit of money on the show.  
The High Point winner was Felix Duerr, Silja Knoll was 2nd and Nancy Carr was third.

### **Additional topics:**

- It was suggested by Kathleen to have 3 high point winners (for classical, western, and eventing) at each schooling show. Discussions included conditions such as requiring a certain number of riders in each division in order to give out a high point award (so if there is only 1 rider in western dressage, they would be included in the classical for the high point standings). Topic was tabled and Didi will ask the board.
- There was no summary of the business meeting, but it is available on the web.
- Didi hopes to get the 2nd schooling show of the year up (online to receive entries) in the next week. It will be May 19 at Tomora Training Center in Greeley. Sharon Sarchet will judge. The third show (also at Tomora) is July 21 with Julie Haugen judging.
- Didi would love to have a Volunteer Coordinator for schooling shows to help contact people and direct volunteers. Having one point person will streamline everyone's efforts and will help the show run smoothly. Getting ride times out earlier will help people determine when in the day they have a few hours of their time to give.
- Rose has been doing Facebook and the NCDA web page. Kathleen will get together with Rose to discuss old documents, as well as getting a box of old NCDA items to archive.

### **Speaker Joan Clay - Discussion of Rule Changes**

We started with a quick game - list as many ways you can get eliminated from the show ring  
As a technical delegate, Joan is up to date on all of the recent rule changes. She provided 2 handouts; one of the changes for tests in 2019 and another of the bits that are permitted. Great information for those wanting to show!

Margie moved to adjourn the meeting, Katie seconded the motion.

Meeting was adjourned at 8:45pm
