**Minutes from last meeting:** The minutes from the March and April meeting were both reviewed and approved. Motion by Kathleen, second by Martha.

**Treasurer's report:** The treasurer's report was reviewed by Didi and there were no questions. WE have 55 members, which is lower than last year. The number of members determines how many delegates we send to the Board of Governors meeting.

**Secretary's report:** No secretary's report at this meeting.

**Announcements:**

- Andrea & Martha are setting up a carpool to Gert Hersman Symposium in May in Littleton. All members who want to join the carpool should contact Andrea or Martha.
- Kathleen mentioned a "Thinking of You" card for former member Pat Cole. Silja will get the card for members to sign.
- Anyone who volunteers at NCD A events will receive tokens to bring to the Holiday party. These will be used for door prizes.

**Dolly Hannon Clinic:** We did reasonably well. We spent more on advertising in the Centaur (approximately \$400). We did not lose money on this clinic. We learned some things that we will change for future clinics, such as making time adjustments for intro and basic levels, 10minute time slots for these; structure of volunteering for the clinic; and post event debrief to get comments from the participants.

**Schooling Show #2:** You can enter the May show using Equestrian Entries. The office fee issue from the last show has been fixed for the May show. We need volunteers for the show. Sign up is available online at SignUp.com.

Overall high point for the 1<sup>st</sup> show was Felix, 2<sup>nd</sup> Silja, and 3<sup>rd</sup> Nancy Carr.

**Monthly Presentation**

This month's presentation was related to NCD A emails to our members. Typically, these are monthly updates from NCD A, WDACO, Working Equitation, and RMDS. Eventing is a complimentary discipline and may be considered.

**Adjournment:** Meeting was adjourned at 7:35 p.m.      **Next Meeting:** September 2019
