

NCDA BOD meeting minutes

June,23, 2020

Didi, Silja, Jon, Andrea and Katie

RMDS BOD meeting on 7/7/20 - is there anything we should bring up?

#### 2020 Events

The ride a test went well! We had 23 rides and after expenses we made \$299.15.

The July show and clinic with Dolly Hannon doesn't have too many entries yet.

The August event has 1 entry right now.

#### General business

Treasurer report - we paid liability insurance, Julie Haugen, and Rae Ann

We took in \$90 in RMDS memberships, and \$1280 for the ride a test

\*\*Didi's credit card doesn't work (must've waited too long to activate).

We should look more at the "On the bit" chapter's website; there are things they do well

General business meetings will return in September. Do we stay at Mimi's in Loveland?

Elsewhere? Silja will look at alternative sites for meetings.

BOD will meet again before the Dolly Hannon event (7/8/20).

We ran out of time and the Zoom meeting was cut off.
